THE PORTLAND ROSE FESTIVAL ASSOCIATION

On behalf of the PORTLAND ROSE FESTIVAL ASSOCIATION, it is a pleasure to greet the spectators and athletes in the annual Oregon Association A.A.U. Track and Field Championships.

As the 61st Portland Rose Festival nears its end, we hope you will find these Championships a fitting climax to Rose Festival week.

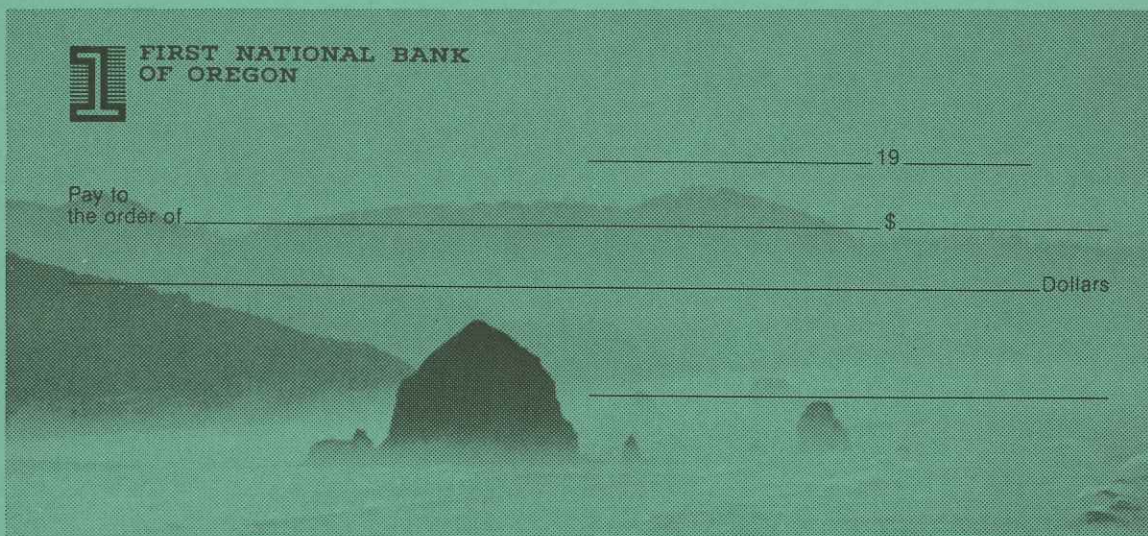

JAMES M. SIMMONS, PRESIDENT

THE PORTLAND TRACK CLUB

The members of the Club are happy and proud to be a co-sponsor of this great Track and Field meet. Our sincere thanks to the officials, the athletes, the event sponsors and all who have helped to make this meet a success. Forty seven individual champions, in the three divisions, will be crowned here to-day. We hope you will enjoy every event.

Porter Martin, Chairman

Manley Bakkensen, Secretary

# This is a beautiful color check.

Imagine this black and white check in living color.

It's one of the First beautiful checks.

We have five of them altogether. A flower design, the misty Pacific, the lofty Cascades.

And two contemporary patterns.

All in full color!

Come choose yours. They're available at any branch of the First National Bank of Oregon.

We'd like to get to know you.

THE OREGON ASSOCIATION AMATEUR ATHLETIC UNION OF THE UNITED STATES

Track and Field is but one of a number of sports competition promoted by the Oregon Association Amateur Athletic Union to meet the needs of athletes. Appreciation is expressed to the various sports Chairman and their committees, who give so generously of their time to make such competition possible.

The Oregon Association also wishes to thank Lewis and Clark College for the use of its facilities for this meet and to Peter Schoerworth for his fine preparation of the track.

ELDON FIX, PRESIDENT

It is a pleasure to welcome you to the Oregon Association Track and Field Championships.

I want to thank the athletes, the coaches in our elementary, high schools, Colleges and Universities, the volunteer workers in our Clubs, the Junior Olympic programs and the all-comers programs. It is through their programs that we are able to bring to-gether the finest athletes from Oregon and Southwestern Washington for this great meet.

Many of the athletes assembled here to-day, have or will represent us in National and International competition. Your continued support of this greatest of all amateur sports, is greatly appreciated.

JIM PUCKETT, CHAIRMAN  
MEN'S TRACK AND FIELD

Only a few short years ago, a small group of dedicated girls, coaches, parents and others, were struggling to obtain recognition of Girls Track and Field as the finest of all amateur sports. To-day nearly every high school in Oregon, has a track and field program for girls. A program for pre-high school girls is growing by leaps and bounds.

The program has resulted in National Championships, an Olympic Gold medalist and dozens of performances making the Nations list of top performances. Best of all, hundreds of our girls, are now able to enjoy this great sport.

I feel very fortunate in having had the opportunity of knowing many of these girls and their coaches.
